Support Employee Free Choice Act

Dear Senator Bill Nelson,

I urge you to enact the Employee Free Choice Act immediately.

This crucial legislation will protect workers freedom to choose a union and bargain, without management intimidation. Allowing more workers to freely join unions and bargain with their employers will help rebuild the middle class by expanding health care, improving retirement security and raising the standard of living for America's working families. My bargaining rights are worth working for and voting for!

Sincerely Yours,
